

POLITICAL ACTION COMMITTEE LEGISLATIVE EVENT NOVEMBER 8 FROM 5:30-8PM

Join CPA, its leaders and special guest speakers, Representative Brittany Pettersen and Jeannie Vanderburg of the Capstone Group, CPA's lobbyist at the State Capitol, for a couple of hours of socializing, talking about what is important to you as a psychologist and hearing what is coming up in the 2018 legislative session. Appetizers and First Drink on us!

A minimum donation of \$15 is requested to attend this event.

Representative Brittany Pettersen was elected to serve Jefferson County in the state house in 2012. Throughout her last five years in the state legislature, Representative Pettersen has been a constant voice in support of increased access and options for mental health treatment across the state. She is a member of the House Public Health and Human Services and is currently co-chairing the Opioid and Other Substance Use Disorder Interim Study Committee to ensure Colorado is utilizing all avenues to combat the rising opioid crisis in the state. She has also fought for affordable, accessible and quality education options for kids despite their zip code or socio economic upbringing. Representative Pettersen was elected by her colleagues in 2016 to serve as the House Majority Whip and recently announced her bid to run for SD 22 in 2018.

**Please RSVP to Jeannie Vanderburg,
jvanderburg@capstonegroupllc.com
or
303-249-8150**

**Cap Hill Tavern
1225 Logan St.
Denver, CO 80203
(Limited street
parking)**

If you are unable to attend but would like to make a donation, please send your personal check to:
Colorado Psychological Association, P.O. Box 3406, Englewood, CO 80155
State Campaign Finance Laws limit contributions to \$400 per election cycle. Donations can be made with personal checks only to CPA-PAC (business checks cannot be accepted by the PAC).

CPA's Political Action Committee (CPA-PAC) is a fund that is used by CPA to provide strategic donations to legislators who support issues and legislation of importance to psychologists and the field of psychology in the state of Colorado.
